Heatherfield, a city where the wind and sea meet each other...

...just like dreams and magic...

...the girls and boys.

A city where people can live a happy life.

So why does he have this feeling of missing?

I'm in doubt, and that's normal, you know. I would like everything goes perfect.. I hope I receive your answer this evening. Sometimes I don't know what to do without you. I love you, and I miss you.
Eric.

This time I send it!

Tomorrow the eclipse will occur. Would she have answered by the time?

I have a party to organize! I must stop worrying to let my bad feelings pass by!

BLING

What? Is it time already?

The game! They will be furious! I have no idea of time!

Scaned by Forever Witch

Scaned By Forever Witch

Let's go! I hate to remain at school after the bell ringing!

I'm only watching the time the eclipse occurs!

Eric left his e-mail program open! I'll take a peek!

Hey! Would you like your mails being read?

No! I... Oh!

What did you see?

Nothing, nothing... You're right! I'm too indiscrete!

I forget it even when I'm watching!

But three words are enough to disturb Hay Lin.

!

*I miss you

Fleeing from reality is easier than to face it.

FRUSH

Hey! What...

Oops! Excuse me, sir!

I could have said to him I'm sorry, instead of saying nothing...

...fearing to say too much!

TUMP

Where did you get your license, chauffeur?

!

Oh! Eric!

Hay Lin! Sorry! I... I'm a little in a hurry!

You are really someone to be met!

Excuse me, Hay Lin! I must go!

But...

A real gentleman!

I believe he evades me at the moment!

First Nigel, now him! A virus tackles the boys!

Scaned By Forever Witch

On the basketball terrain of Heatherfield...

You're making progress, Nigel!

Very funny!

Don't listen, you can do it... one day, perhaps!

Tsss! Are you as good to do this?

I don't know, but look!

Avoid defying Peter!

Er yes! I'm unbeatable in surfing and basketball!

For the remainder, on the other hand... Oh!

Er...

Scaned By Forever Witch

I'm sorry, guys!

Hello! We were waiting just for you!

I was occupied by the party! I didn't watch the time passing!

Are you well?

Er... yes! All's well!

And the preparations?

The eclipse will happen as expected!

The eclipse? Pfff! Cobalt Blue is the important thing!

What I like about Matt is his modesty!

It's a ball, Matt! Not a guitar!

All's well for so far!

Eric is not the only one who's precarious.

Don't think about it, Hay Lin! He surely has his reasons!

If only you are right.

He never said he loved me, but I thought there was something which bound us together!

Do you want me to imitate Cornelia before her mirror?

You embellished day by day, Irma!

And one point for Cornelia!

Did I miss something?

By the way...

Silence!

There are computers for us!

They arrived early!

Scaned by Forever witch

Do you really want to go there? You find blows and sweat!

It's just a basketball match!

Will Miss Snob watch the basketball players dribbling?

You impress me! You used two sporting items!

Girls... I don't go with you!

What's wrong with you? A pre-birthday crisis?

No... I'm... only tired... Bye!

I go with you!

There's no need for it. I'm going!

She prefers to be alone.

Maybe there's an interesting boy in the field?

There's one at least!

Yes... One at least!

Scaned by Forever witch

Scaned by Forever Witch

The girls don't think about basketball anymore and they forget the sadness of Hay Lin.

Our audience is exeptional today!

There even are cheer-leaders!

They're looking at us! Let's look elsewhere!

They will believe that we came for them!

Why? We just passed by chance, girls?

Hi, Matt!

Hi, Will!

Scaned by Forever Witch

Scaned by Forever Witch

How can you miss a basket?

Look at them being agitated by a small ball!

It's basketball, Irma! And that's called a ball!

You have your dictionary always open!

"What are they doing? Only their baskets are counting for them!"

I should have left with Hay Lin!

Scaned by Forever Witch

"Mind my words, we're wasting our time!"

Cornelia is really beautiful!

It's a pity she has such a bad temper. How do I approach her?

Hey!

It's not true! He won't score!

Yesss!

It was easy!

I've impressed Taranee!

She didn't even look at me! Pfff! Girls...

Scaned by Forever Witch

They think only about their baskets... when they think!

It's because you don't have anybody to encourage which makes you like this!

!

And you, who do you encourage, Cornelia?

It appears that you don't have anybody to encourage, beauty?

Encourage me! I'm Sean!

!

I don't encourage anyone. Is that clear?

O.K. No need to redden!

Scaned by Forever Witch

In any case he has seen that I'm...

A grouser!

No! A beauty!

It's true! I don't need to look for them! They all fall before my feet!

Hello...

...Irma... Aaai!

STONF

Hello, Martin!

It's true! They fall for you!

HA ! HA ! HA !

Scaned by Forever witch

This is Sean, my cousin!

O.K., but in your team!

Are you playing with us?

Not bad, the new one! What if I encourage him?

The new one is strong! He has reversed the scores!

Yes! he has chosen the stronger team!

We'll speak about the party while Hay Lin is not here!

Oh! I forgot that!

Because they should be awaited for? That's ridiculous!

I'll change myself! Are you waiting for me?

Of course!

Scaned by Forever Witch

Meanwhile, Hay Lin...

THE SILVER DRAGON

Hello, Hay Lin!

I was so sure he liked me! What an idiot I am! and now?

"I won't go to the observatory, even when you only see the eclipse from there..."

"...and I won't wear this dress!"

How are you, my dear?

Not good, dad!

"I feel very bad. I would like all to forget."

"If only I could wash this day off of me, like water..."

And then the redhead! What a sweety!

Give me a break, Sean! Different subject please!

Why? Don't you like girls?

On the contrary! But the redhead and your cousin...

Don't worry! I save my irresistible charm for someone else...

Scaned by Forever Witch

"...right, Irma?"

Hay Lin was sad!

Who is that girl from the mail?

I would never believe that about him!

Why? They are all the same!

Hahaha!

We're depressed, and they are laughing!

Boys are coming from a different planet!

Scaned by Forever Witch

Glad to meet you, young lady!

Beurk! What's this?

I'll ask her where Hay Lin has left...

Oops! No! I better don't!

They're looking!

Hello, girls!

Quick, Tara! Hold me back!

What's wrong with her? Girls really come from a different planet!

Are you finished making fun?

Almost, Will!

Ciao, everyone!
Ciao, Cornelia!

!

Scaned by Forever Witch

He's been greeting Miss Snob? I'm tempted!

He said 'Ciaooo' to me, but will I blush? Help me!

Enough, Irma!

Well, beauty! Will you guide me through Heatherfield?

That's risky, Sean! She turns her head straight at home!

You are already tiring me!

It's a big mistake to hide your passion!

To me it's the opposite! I'm always afraid not to say what's necessary!

Well, it's with passion I treat you like thin air!

O.K., beauty! I like you more and more!

He's incredible! I envy his ease with the girls!

Scaned by Forever Witch

Someone else has thougths heavier than stones.

And the night which descends over her is unbearable.

THE SILVER DRAGON CHINESE RESTAURANT

Will has called. Very kind, but how do I explain to her?

That the night carries a horrible day?

Tomorrow is my birthday and the eclipse!

That could have been a magic day!

Cujo

It will only be a longer tragic day!

"June 4th. The long awaited day is there!"

It's Hay Lin's birthday, and the W.I.T.C.H. have an important mission...

THE SILVER DRAGON

...to DISTRACT!

Hey mouse! We take you out with us to do some shopping!

I see you told them!

Hay Lin... Your friends are there when you are in sorrow!

What would I do without you?

Nothing! I'm un-replacable!

Scaned by Forever Witch

I like them!

Cornelia would like this! I take it apart!

I better ask Nigel thinks of it!

In fact, it's not all of it!

What are you waiting for? Go ahead, say it!

I'm liste-ning...

Do you know their new cd?

Oof! I thought I never could say this!

By the way, Taranee likes you very well!

I hope it's mutual!

You have blown it once already, and I love my sister!

Then I love her too!

Scaned by Forever Witch

Today is Hay Lin's birthday. And it is the day of the eclipse and the party too.

MUSIC STAR

...and when you say 'party', you say 'music'!

This group rocks!

I'll show it and ask him! In the worst case, he will laugh at me!

When the music is worthless, the party can turn into a nightmare! Thus...

Ahem... Peter?

See... I like to ask you...

Yes?

...what do you think of Black Booth?

Scaned by Forever Witch

When Eric doesn't notice me, I'll charm the stars!

Bravo! You will please the entire galaxy!

My mother says there's no harm in having pleasure!

She's right, Hay Lin! It's you birthday!

Er, Taranee, I saw Nigel passing by!

Huh? I'm unable to decide!

He has chosen remarkable fast!

What did you say about Nigel?

It's a small world!

What do you say about this?

Nothing... boys know nothing about shopping!

THEATER DOME

"It couldn't be worse!"

Forget about the weather and think about the eclipse!

This evening I like the eclipse better!

Hay Lin! You have to bewitch him!

Don't you worry! To Eric you are the most beautiful among the stars!

Eric is the last one I want to see!

We will be with you!

Let's prepare ourselves!

Cornelia will be in good need of at least three hours, right?

You'll see, it will be an unforgettable evening!

If you say so!

Scaned by Forever Witch

Meanwhile at the observatory...

It's still raining!

I hope Matt is capable to carry out the tests!

When the rain doesn't stop, we can say the eclipse goodbye!

At what time does Matt come?

I'll close before we get flooded!

Scaned by Forever Witch

"Close all and let him speak his heart out."

Will I manage to say it?

Peek-a-boo, Matt! Do you hear me?

Does this handsome boy have a girlfriend? Tell your aunt!

?

MPF...

Change the subject!

This is my preferred one!

The answer is 'Yes', mom!

I'm talking to Matt!

Carolyn! You know that Matt is discrete about that subject!

Is everything ready for the party, Matt?

The night descends over Heatherfield, but the rain doesn't weaken.

That's no weather to go out!

BIKE

But missing the party is out of the question!

There's a blonde I can't stop thinking about!

For all, it's the hour of the preparations, even if the styles differ.

GRRR! Give it back to me, toad!

When I find just one cat's hair on MY brush, beware!

It's ME who goes to the party! My brush!

Napoleon! Come to be combed!

Scaned by Forever Witch

Let's rock by the music of the past!

I love this one!

"And this envelope... It contains the first words Taranee wrote to me!"

En regardant ce papillon s'envoler, j'ai su que tu étais spécial.
Tara xxx

It is hoped that the other one is in harmony...

Oof!

Boys are lucky not having problems with clothes or earrings!

Scaned by Forever Witch

...so that someone has something to divide.

O.K. !

Did I put on the t-shirt Will likes? I don't know what to decide!

"There are uncertainties with the age. Some are even uneasy to themselves..."

Nothing suits me! It's horrible!

PFFF !

Perhaps with that, finally...

I got to hurry!

Scaned by Forever Witch

...some are looking for explanations, they are doubting...

No answer! She musn't have read my mail! Too bad.

You're a man now! Master your choices and don't wait for that girl any longer!

You are right, grandpa!

But I miss her badly!

...they are anxious!

THE SILVER DRAGON

The evening will be a disaster! And that rain which doesn't stop!

Please, wind, carry the rain away!

Scaned by Forever Witch

...some appear to be more sure...

Be ready girls, I'm coming!

The important thing is to believe in it!

But often it's bluffing!

What an invention, this water-based gel!

In all modesty, not bad at all!

Scaned by Forever Witch

...and certain desires are carried out!

Come on, knock! A little courage!

If she doesn't like my flower and my song, I...

You must be Matt! Hello! I'll call for Will!

Good... Good evening, Mrs. Vandom!

WIIILL!

Is Matt there already? Good, stay calm!

What a chance! It doesn't rain anymore!

Have pity! Make it conceal!

Don't come back too late, Matt! And be wise!

"Yes! And the flower is superb!"

Scaned by Forever Witch

The observatory of Heatherfield. Everything is ready, it's just missing...

...the queen of the party!

I can still leave! Why did I accept this? No, I don't go in! I don't want to see him!

Trust us!

Go! Step a little further!

OOOH!

SURPRIIISE!

Huh? Is this for me?

Never someone has prepared me something similar!

Thank Eric for this! He organised it!

Eric? But he avoids me, Taranee. And then, I go...

Do you like the surprise, Hay Lin?

I don't know how...

Let's dance! We'll talk later!

!

Take this one! It's perfect for the party!

Epilogue.

Heatherfield.
A city of girls and boys...

...lights and darkness...

...desires and hopes.

The party has passed well!

"It has been a fantastic evening!"

I'm in doubt, and that's normal, you know. I would like everything goes perfect. I hope I receive your answer this evening.
Sometimes I don't know what to do without you. I love you, and I miss you.
Eric.

"This evening the feeling of missing you has lessened."

Goodnight, mother!

Sometimes the end of a history marks the beginning of another one.
